COMMEMORATIVE

TSRA Centennial Edition 1911

Triarc Systems sought to produce their take on a timeless classic. They kept the core of John Browning's design ruggedness and reliability; focusing their efforts to perfect it with modern manufacturing techniques, innovative barrel technology, and improved firearms coating methods.

The combination of modern precision, original design, and technological advances produces pistols that are functional works of art that will push forward for generations to come.

Only 101 will be made with the limited edition serial numbers

TSRA1919 through TSRA2019
